TERM

Pocahontas: The school cordially invites the NIS community to support our school production 'Pocahontas' this Tuesday, 22nd July (12pm) at Nilai Springs. Please contact Ms Nirmala (nirmalanaidu@nis.edu.my) if you have any questions.

Music Club Field Trip: Music Club organized for a trip to Bentley Music, Kota Damansara for the "Historic Piano Showcase" for our Secondary students. They learnt about the historical background of music and were able to touch and play the historical pianos aged 170 years old from the Classical Period.

Students listening to history of pianos from a Bentley Music staff

Primary News

Year 3 English project: One of the highlights of the end of this semester was the reading of "The Railway Children" by Elizabeth Nesbit. The students loved the novel and even watched the movie on YouTube. As an English project, they made a scrap book depicting the synopsis of the novel. The students had a great time completing their master pieces.

Year 6: All our dreams can come true – if we have the courage to pursue them. That is the quote for year 6 where we work extremely hard in Year 6 but we also enjoy our learning. We have very high expectations set for us and work well to try and exceed these.

Secondary News

Year 10: 10.2 Sycamore are a studious bunch and are flying the flag at NIS for academic achievement. Next year they will begin their year 11 and will come around the final bend while the bell tolls. Watch this space!

Art class update: Year 10 Art students have been preparing for their final drawing examination, with emphasis on drawing ability and technical skill. Good luck to each of them as they face this challenge.

Sports News

Sports Day: NIS organized Sports Day in June at USIM for the first time. The day went with precision as many of the participants did a terrific job in the events that they took part in. There were no records broken but the time was kept on track for each event running. Year 1 and 2 students participated in the fun telematch. It was a tiring but enjoyable day for the whole school, and we are all looking forward to next years.
