

## Nilai International School Year 11 Students Meet *The Apprentice* Winner

This February, Year 11 students at Nilai International School were presented with an opportunity to attend a talk at Nilai University by Jonathan Yabut, winner of 'The Apprentice Asia'. Mr Yabut's oration, entitled 'Journeys of Inspiration', energetically shared his experience and knowledge on leadership, passion, and corporate life. Not only that, the audience was open to a Q&A session. He delightfully answered the student's questions along with warm encouragement. The inspiring talk left the Year 11s with a broadened perspective and renewed determination. With IGCSE exams fast approaching, the Business students will definitely benefit from Jonathan Yabut's words of encouragement to persevere through anything!
